Introduction

The Ember Chapters is an online game that allows players to share an online gaming experience. This privacy policy explains how we collect, use, and share personal information from our players.

What Information Do We Collect?

We collect the following personal information from our players:
- Name
- Email address
- Age
- Gender
- Location
- IP address

We collect this information through the player's login information from Epic Games.

How Do We Use This Information?

We collect this information for the following purposes:
- To personalize the player's experience in the game
- To send marketing emails about the game
- To track player behavior in the game

How Do We Store and Protect This Information?

We store this information on servers protected with firewalls, and all traffic is encrypted using HTTPS. We take reasonable measures to protect the personal information we collect from unauthorized access, use, and disclosure.

Do We Share This Information with Third Parties?

We do not currently share this information with any third-party services, such as advertisers or analytics providers.

How Can Players Access or Delete Their Information?

Since the game is in demo version, requests for access to or deletion of personal information can be handled manually on a case-by-case basis by

sending an email to info@pixelvalley.se. Players also have the option to block/remove our game from accessing their personal information through their Epic Games account.

Changes to This Privacy Policy
We may update this privacy policy from time to time to reflect changes in our practices or to comply with applicable laws. We will post the updated privacy policy on our website and notify players by email or through the game.
